Warranty for Hardwares, Branded PCs and Notebooks, Computer Accessories and Peripherals

Centralfield's responsibility for malfunctions and defects in hardware is LIMITED TO REPAIR AND REPLACEMENT AS SET FORTH IN THIS WARRANTY STATEMENT. ALL EXPRESS AND IMPLIED WARRANTY for Centralfield products are LIMITED IN TIME TO THE TERM OF THE LIMITED WARRANTY PERIOD reflected on customer's invoice. No warranties, whether express or implied, applies after the limited warranty period has EXPIRED.

Centralfield does not accept liability beyond the solutions in this limited warranty or for consequential or incidental damages, including, without limited to, any liability for third-party claims against Customer for damages, for products not being available for use, or for lost data or lost software. Centralfield's liability will be no more than the amount Customer paid for the product that is subject of a claim. This is the maximum amount for which Centralfield is responsible for.

The duration of the warranty:

From the date of purchase, products that are purchased from Centralfield have a 7-day warranty period starting on the date of the purchase. After the 7-day warranty period has expired, Centralfield makes no warranties for services, softwares, or non-Centralfield branded products. These products are provided by Centralfield "as is". Warranty and service for non-Centralfield products, if any, are provided by the original manufacturer or dealer, not by Centralfield.

This warranty is non-transferable.

What is being covered:

This warranty covers defects in materials and workmanship under normal use during the applicable warranty period in the judgment of Centralfield's technician. If a serial number is listed on the invoice, make sure the product has the same serial number as the one listed.

LCD death pixels less than or equal to 3 dots will not be considered as a defective product. LCD features or defects are judged according to manufacturer's specifications.

What is not being covered:

- CPUs
- software products (Copyright law does not allow Centralfield to accept returns or offer refunds on opened software; but we will gladly exchange the defective software for the same title)
- technical support for hardware or software usage
- other products that are not covered under this warranty are marked on the invoice

What should Customer do when he/ she needs warranty:

To obtain this 7-day warranty, Customer should bring his/ her original invoice together with the defected product (in a saleable condition with its original packaging with the UPC code, manual, cables, software and other parts) to Centralfield. All packaging, accessories or manuals are required for exchange. No replacement will be made if there are any scratches/ marks/ alterations. After a Centralfield technician has examined the product and finds that it is defective, a new product of the same or similar brand will replace the defected product.

If you are not sure whether your product is still within the warranty period, please call our Main Shop at (852)2387-0272 to inquire beforehand.
